

INDIANA STATE BOARD OF EDUCATION

Resolution to Conduct Working Sessions to Discuss the Recommendations of the Graduation Pathways Panel

November 1, 2017

Whereas, the General Assembly passed HEA 1003, which added IC 20-32-4-1.5 to the Indiana Code. This legislation states that the State Board of Education (“Board”) “shall establish graduation pathway requirements...in consultation with the Department of Workforce Development and the Commission for Higher Education.”

Whereas, a motion to create a panel (“Panel”) to develop graduation pathway recommendations for Board review, offered by Board member Dr. Byron Ernest, was approved by the Board during the June 7, 2017, business meeting;

Whereas, a resolution setting forth the structure and intent of the Panel was adopted during the July 12, 2017, business meeting;

Whereas, the Panel intends to adopt its final graduation pathway recommendations during its November 7, 2017, meeting;

Resolved, in order to ensure that the Board has an opportunity to review and discuss the Panel’s graduation pathway recommendations, the Board shall conduct two (2) working sessions;

Be it further resolved, that the first working session will take place on the afternoon of November 7, 2017, with the second working session taking place on the afternoon of December 5, 2017;

Be it further resolved, that the Board will not take any formal actions during the working sessions, including but not limited to, voting to adopt the Panel’s graduation pathway recommendations.
